

## Finance Commission Disclosure Statement

### *1. Our credit-broking services*

Performance Cars Wales Limited are able to offer you our credit-broking services to help finance the purchase of your motor vehicle and other ancillary products and services through our commercial arrangements with a number of lenders. If we arrange finance for you, we may receive a commission, fee or other financial consideration (our "income") from the lender for doing so. Our income varies from lender to lender depending on the contractual and commission arrangements that we have in place.

### *2. Commission disclosure*

If you are an individual, sole trader or small partnership and we are arranging a credit agreement or a consumer hire agreement for you which is regulated under the Consumer Credit Act 1974, you have a right to ask us to disclose the income that we will receive for arranging finance for you. If you make such a request, we will disclose the amount to you without delay.

You can make a disclosure request at any time and by any means including over the phone, by email, in writing or at the dealership.

You may, email [performancecarswales@gmail.com](mailto:performancecarswales@gmail.com) or write to Commission Disclosure, Performance Cars Wales Limited, Fleet Handling Centre, Penarth Road, Cardiff CF11 8UQ or if you are at the dealership, please speak with your Sales Executive/Sales Manager.

We will automatically disclose our income to you if we believe the income we may earn on your transaction may materially impact your transactional decision.

### *3. Commission arrangements*

We have different commission arrangements in place with each of our lenders. The income that we earn may be a fixed fee or a fixed percentage of the amount borrowed. Our income does not usually vary according to the type of financial product you choose or the term of your finance agreement. If it did, we would automatically disclose the different income earned from each product type and/or the different terms.

Our commission arrangements with our lenders have been negotiated and agreed in advance. We do not have any discretion to negotiate or adjust your interest rate, APR or any other item included in the total charge for credit.

### *4. Finance products we offer*

We are a credit broker and not a lender. We can introduce you to a limited number of lenders and their finance products which may have different interest rates and charges. We are not an independent financial advisor. We may advise you on the products, subject to your personal circumstances, though you are not obliged to take our advice or recommendation.

We do not charge you a fee for our services. Whichever lender we introduce you to, we will typically receive commission from them (either a fixed fee or a fixed percentage of the amount you borrow). The lenders we work with could pay commission at different rates. However, the amount of commission that we receive from a lender does not have an effect on the amount that you pay to that lender under your credit agreement.

We will provide you with information to assist with your funding decision on: Hire Purchase and Personal Contract Purchase
