

VOLKSWAGEN GOLF SE TDI BLUEMOTION TECHNOLOGY  
£3,995

Jun 2014

142000 miles

Manual

Diesel

**Features****Description**

We have just taken this Golf Convertible in part exchange and priced it up to clear on a trade basis, 1.6 TDi SE, it belonged to a very good friend of ours and he has owned it from new..! air conditioning, alloy wheels, MOT March 2025, service history and we have just had the cambelt replaced, very clean car throughout, power roof works fine and drives very well, priced keenly....!!
